## What is Vexcom Video Intercom System?

什麼是Vexcom可視對講系統？

**VEXCOM**

Vexcom Video Intercom System allows users to communicate safely with visitors from a distance, without any need for physical interaction. The Vexcom Video Intercom System not only increases home security, but also makes it easier and more convenient to communicate with visitors.

The Vexcom Video Intercom System is a core Home Touch product line. The Vexcom System is affordable, easy to use and install, and useful for both the home and workplace environment. The Vexcom series is available in both TCP/IP or analog model.

Vexcom可視對講系統允許用戶能安全地、有效地與訪客進行交流。Vexcom可視對講系統不僅能增加家庭的安全性，也使它更容易和更方便地與訪客進行聯系。

Vexcom可視對講系統是控特核心產品線。這講系統比較經濟實惠、容易使用和安裝，並可於家居和工作場所安裝。Vexcom系列包括數字式或模擬式。
